## PRESS RELEASE/CONSUMER NOTICE

**SANTA FE, NEW MEXICO:** The Office of Superintendent of Insurance notifies an unauthorized company to Cease & Desist doing business in New Mexico.

The Superintendent of Insurance has officially notified TrafficCare International, LLC to Cease & Desist all New Mexico operations due to their failure to obtain the required licenses and Certificate of Authority in New Mexico. TrafficCare is offering New Mexicans insurance products that are both unauthorized and illegal.

Superintendent Franchini stated that “We strive to ensure the insurance companies operating in New Mexico are solvent, reliable and offer products consistent with New Mexico regulations and TrafficCare is not doing so and it is our obligation to protect the insurance consumers of New Mexico. We received notice of this company operating outside the regulations and we took immediate steps to forbid the company from operating in New Mexico.”

TrafficCare offers “insurance” against traffic citations which is inconsistent with New Mexico regulations and the Office of Superintendent recommends that if any New Mexico resident purchased an insurance product from this company they notify our offices. All questions or inquiries involving TrafficCare can be directed to John Gaherty, Compliance Director at 505-827-4439 or [John.gaherty@state.nm.us](mailto:John.gaherty@state.nm.us)
